Section Q . Notice to Applicant Regarding Replacement of Accident and Sickness Insurance**CIGNA****P.O. Box 30362****Tampa, FL 33630-3362**

According to the information furnished by you, you intend to lapse or otherwise terminate your present policy and replace it with a policy to be issued by CIGNA Insurance Company. Your new policy will provide 10 days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find this purchase of this accident and sickness coverage is a wise decision you should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

Statement to Applicant By Issuer or Producer

I have reviewed your current accident and sickness insurance coverage. To the best of my knowledge, this accident and sickness policy will not duplicate your existing coverage because you intend to terminate your existing coverage. The replacement policy is being purchased for the following reason(s) (check one):

- Additional benefits
 No change in benefits, but lower premiums
 Fewer benefits and lower premiums
 Other, (please specify): _____

1. Health conditions which you may presently have (pre-existing conditions) may not be immediately or fully covered under this new policy. This could result in denial or delay of claim for benefits under the new policy, whereas a similar claim may have been payable under your present policy.
2. State law provides that your replacement policy or contract may not contain new pre-existing conditions, waiting periods, elimination periods or probationary periods. The issuer will waive any time periods applicable to pre-existing conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) for similar benefits to the extent such time was spent (depleted) under the original policy.
3. If, you wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy has never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy until you have received your new policy and are sure that you want to keep it.

 Applicant's Business: _____

I, (print name of applicant) _____, meet the definition of a self-employed business group of one as attested to in the **Determination of Self-employed Business Group of One**, Section R of this application. I understand that by purchasing an individual policy instead of a small group policy, I give up what would otherwise be my right to purchase, during open enrollment periods as specified by law, a business group of one Standard, Basic, or other small group health benefit plan from a small group employer carrier for a period of three (3) years after the effective date of the individual health benefit plan for which I am applying. I understand that this will be the case unless a small group employer carrier voluntarily permits me to purchase a small group policy within such three (3) year period. I understand that the factors used to set new and renewal rates for the individual policy I want to purchase consist of plan design, my age, my gender, my health status, and that of my dependents, my family composition, the carrier's overall cost and utilization trends, the underwriting methodology used to evaluate individual coverage, tobacco use, Medicare eligibility, commissions paid to brokers, and a factor that reflects the cost of care where I live. By comparison, the rating factors that would apply if I purchased a small group business group of one policy are limited to plan design, the carrier's overall cost and utilization trends ('index rate'), my age, my family size, a factor that reflects the cost of care where I live, health status, claims experience, standard industrial classification and/or tobacco use. I have been given a health plan description form showing the benefits under Colorado's small group Standard Health Benefit Plans. I have been given a Colorado Health Plan Description Form for the plan for which I am applying.
