

Protect Your Family

Optional Benefits: Enhanced Term Life Benefit
& New Accidental Death Benefit

You've made the decision to help protect your family's health by seeking insurance; shouldn't you consider helping protect their financial future too?

Term life insurance may be an ideal benefit to make sure you provide for your loved ones' future.

Consider your current financial picture and ask, "Without a term life insurance benefit paid to my loved ones upon my death, would they be able to:

- Pay for funeral expenses?
- Pay the mortgage or other debts?
- Save for college or retire comfortably?"

Remember to select this option as you apply for health coverage.

Enhanced Term Life Benefit

You may choose an optional term life insurance benefit for you and/or a spouse who is also a covered person under the health plan. You and/or your spouse must be age 18 or older. The term life benefit expires when a covered person reaches age 65.

You select one of three benefit amounts. You may select different amounts for you and your spouse.

Benefit Amounts:	\$50,000	\$100,000	\$150,000
-------------------------	----------	-----------	-----------

New Accidental Death Benefit

This benefit provides \$50,000 in coverage in the event of an accidental death for you and/or your spouse if your spouse is also a covered person under the health plan. You and/or your spouse must be age 18 or older. The accidental death benefit expires when a covered person reaches age 65. It may be purchased with or without the term life benefit.

Motorcyclists are not eligible for this benefit.
